Activities - General

In May, the warmer weather, visits to the park and activities outside. If you would like to do something with your Keyworker, please speak to them, maybe tea and cake, an ice cream on the sea front or something else.

Rydal children will continue to come in on a weekly basis to engage in activities with you all. The children will be learning a poem each month and we thought it would be lovely share these poems with you and recite them at the end of their weekly session.

Here is May's Poem

Pitter Patter

Pitta patter falls the rain,
On the roof and window pane.
Softly, softly it comes down,
Makes a stream that runs around.
Flowers lift their heads and say,
“a nice cool drink for us today”

Research:

We are waiting to hear back from Anthropos detect, Gloucester uni Sounds outside and the dehydration study. When we have confirmation we will let you know.

Maintenance

Thank you to everyone for your patience during the recent updates to Winash.

Please inform Heather or Emma if you have any maintenance concerns/issues.
